Significant changes include an easier navigation, new photos, updated information, new graphics, and technical improvements (including the use of a new data platform). We partnered with Red Apples Media to achieve the goal of improved communication and a better user experience.

Thank You, Provident Bank!

From time to time, Feeding Middlesex County acknowledges its generous and community-minded business partners. Provident Bank has supported efforts fight hunger in Middlesex County since Feeding Middlesex County was created in 20XX. Besides supporting events such as Dine Below the Line, the annual dinner, and Hunger Heroes, Provident Bank is represented on the Feeding Middlesex County Board of Directors. Assistant Vice President/Banking Center Manager, Yamille Chaves serves on the Communications Committee.

Recognizing Provident Bank's commitment to the communities it serves, and the efforts of the local bank branches and the Provident Bank Foundation, we are honored to be a recipient of these efforts.
